**PROXY STATEMENT FOR
2005 ANNUAL MEETING OF STOCKHOLDERS**

INFORMATION CONCERNING PROXY SOLICITATION AND VOTING

Our Board of Directors is soliciting proxies for the 2005 Annual Meeting of Stockholders. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

The Annual Meeting will be held on May 9, 2005 at 10:00 a.m., local time, at the Meydenbauer Center, 11100 NE 6th Street, Bellevue, Washington 98004. Voting materials, which include the Proxy Statement, Proxy Card and Annual Report on Form 10-K for the year ended December 31, 2004, will be mailed to stockholders on or about April 4, 2005. Our principal executive offices are located at 601 108th Avenue NE, Suite 1200, Bellevue, Washington 98004. Our telephone number is (425) 201-6100.

This solicitation of proxies is made on behalf of InfoSpace, and all related costs will be borne by us. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone.

Questions and Answers

Q: Who may vote at the meeting?

A: The Board set March 11, 2005 as the record date for the meeting. All stockholders who owned InfoSpace common stock at the close of business on March 11, 2005 may attend and vote at the meeting. Each stockholder is entitled to one vote for each share of common stock held on all matters to be voted on.

On March 11, 2005, 33,149,448 shares of our common stock were issued and outstanding. Shares of our common stock were held of record by 1,035 stockholders on the record date. The number of holders of record does not include beneficial owners of our common stock who hold their shares through brokers, banks or other holders of record.

Q: How many votes do you need at the meeting?

A: A majority of InfoSpace's outstanding shares as of the record date must be present at the meeting in order to hold the meeting and conduct business. This is called a quorum. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum.

Shares are counted as present at the meeting if you:

- are present and vote in person at the meeting; or
- have properly submitted a Proxy Card or voted by telephone or using the Internet.

Q: What proposals will be voted on at the meeting?

A: There are two Board proposals scheduled to be voted on at the meeting:

- Election of two Class III members of the Board of Directors; and

-
- Ratification of Deloitte & Touche LLP as InfoSpace's independent registered public accounting firm.

Q: What is the voting requirement to approve each of the proposals?

A: For the election of directors, the two Class III nominees who receive the greatest number of votes from shares present and entitled to vote at the meeting will be elected. To be passed, the proposed ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm requires the affirmative "FOR" vote of a majority of the shares cast at the meeting and entitled to vote with respect to such proposal.

Q: How are votes counted?

A: In the election of the directors, you may vote "FOR" each of the nominees or your vote may be "WITHHELD" with respect to any nominee. Proxies cannot be voted for more than the number of nominees named. You may vote "FOR," "AGAINST" or "ABSTAIN" on the other proposal. If you just sign your Proxy Card with no further instructions, your shares will be counted as a vote "FOR" each nominee for director and "FOR" the ratification of the appointment of Deloitte & Touche LLP as InfoSpace's independent registered public accounting firm.

If you do not vote and you hold your shares in a brokerage account in your broker's name (this is called "street name"), your broker will have discretionary authority to vote your shares "FOR" each nominee for director or to withhold votes for any nominee. Your broker will also have the discretionary authority to vote your shares "FOR" or "AGAINST" Proposal 2, the ratification of the appointment of Deloitte & Touche LLP. A broker non-vote will not have any effect on the outcome of the voting on a proposal.

If any other matters are properly presented for consideration at the Annual Meeting, the persons named in the enclosed proxy will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Q: How may I vote my shares in person at the meeting?

A: Shares held directly in your name as the stockholder of record may be voted in person at the meeting. If you choose to attend the meeting, please bring the enclosed Proxy Card or proof of identification for entrance to the meeting. If you hold your shares through a bank, broker or other holder of record, you may still vote at the meeting but you must request a legal proxy from your stockbroker or other holder of record in order to vote at the meeting.

Q: How can I vote my shares without attending the meeting?

A: Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your stockbroker or nominee. In most cases, you will be able to do this by telephone, using the Internet or by mail. Please refer to the summary instructions included on your Proxy Card. For shares held in street name, the voting instruction card will be included by your stockbroker or nominee.

BY TELEPHONE OR THE INTERNET—If you have telephone or Internet access, you may submit your proxy by following the instructions on the Proxy Card.

BY MAIL—You may submit your proxy by mail by signing your Proxy Card or, for shares held in street name, by following the voting instruction card included by your stockbroker or nominee and mailing it in the enclosed, postage-paid envelope. If you provide specific voting instructions, your shares will be voted as you have instructed.

Q: How can I change my vote after I return my Proxy Card?

A: You may revoke your proxy and change your vote at any time before the final vote at the meeting. You may do this by signing and submitting a new Proxy Card with a later date, voting by telephone or using the Internet as instructed above (only your latest telephone or Internet proxy is counted) or by attending the meeting and voting in person (as described above). Attending the meeting will not revoke your proxy unless you specifically request it. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the meeting.

Q: What are InfoSpace's voting recommendations?

A: Our Board of Directors recommends that you vote your shares "FOR" each nominee to the Board and "FOR" the ratification of Deloitte & Touche LLP as InfoSpace's independent registered public accounting firm.

Q: Where can I find the voting results of the meeting?

A: The preliminary voting results will be announced at the meeting. The final results will be published in our Quarterly Report on Form 10-Q for the second quarter of 2005, which will be filed with the Securities and Exchange Commission and will also be available at www.infospaceinc.com.

"Householding" of Proxy Materials

We have adopted a procedure approved by the U.S. Securities and Exchange Commission ("SEC") called "householding." Under this procedure, stockholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one set of our proxy materials unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. We believe this will provide greater convenience for our stockholders, as well as cost savings for us by reducing the number of duplicate documents that are sent to your home.

Stockholders who participate in householding will continue to receive separate proxy cards. Householding will not in any way affect your rights as a stockholder.

If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of our proxy materials, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact ADP, either by calling toll-free (800) 542-1061, or by writing to ADP, Householding Department, 51 Mercedes Way, Edgewood, New York 11717.

If you participate in householding and wish to receive a separate copy of our 2004 Annual Review, Annual Report on Form 10-K or this Proxy Statement, or if you do not wish to participate in householding and prefer to receive separate copies of these documents in the future, please contact ADP as indicated above.

Beneficial stockholders can request information about householding from their banks, brokers or other holders of record.

The following table sets forth certain information regarding the beneficial ownership of common stock of InfoSpace as of March 15, 2005 as to (i) each person who is known by us to own beneficially more than 5% of the outstanding shares of common stock, (ii) each director and each nominee for director of InfoSpace, (iii) each of the executive officers named in the Summary Compensation Table in "Additional Information Relating to Directors and Executive Officers of InfoSpace" and (iv) all current directors and executive officers as a group. PROPOSAL ONE
ELECTION OF DIRECTORS

General

Our Board of Directors comprises nine members, which are divided into three equal classes with overlapping three-year terms. Currently, we have eight directors and one vacancy. A director serves in office until his or her respective successor is duly elected and qualified unless the director resigns or by reason of death or other cause is unable to serve in the capacity of director.

Nominees for Directors

Two Class III directors are to be elected at the Annual Meeting for a three-year term ending in 2008. The Board of Directors has nominated George M. Tronsrue, III and Vanessa A. Wittman for re-election as Class III directors. For further information on the process of director nominations and criteria for selection of directors, see "Director Nomination Process" below. The Board of Directors' Nominating and Governance Committee is in the process of identifying prospective director nominees to recommend to the Board of Directors to fill the third seat of the Class III directors.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the two nominees. Proxies cannot be voted for more than the number of nominees named. In the event that any nominee of the Board of Directors is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for a nominee who shall be designated by the present Board of Directors to fill the vacancy. It is not expected that either nominee will be unable or will decline to serve as a director. In the event that additional persons are nominated for election as directors, the specific nominees to be voted for will be determined by the proxy holders.

Vote Required; Election of Directors

If a quorum is present and voting, the two Class III nominees receiving the highest number of votes will be elected to the Board of Directors. Votes withheld from any nominee, abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE NOMINEES.

The Board of Directors believes that management speaks for InfoSpace. Individual Board members may occasionally meet or otherwise communicate with our stockholders and other constituencies that are involved with InfoSpace, but it is expected that Board members would do this with the advance knowledge of management and, absent unusual circumstances or as contemplated by Board committee charters, at the request of management. The Nominating and Governance Committee is responsible for reviewing and recommending nominees to the Board, which is responsible for approving director candidates for nomination by the Board of Directors. The Committee's objective, pursuant to its charter, is to ensure that the Board is properly constituted to meet its fiduciary obligations to InfoSpace and its stockholders.

In considering director candidates, the Committee seeks the following minimum qualifications:

- Commitment to InfoSpace's business success consistent with the highest standards of responsibility and ethics;
- Representation of the best interests of all of InfoSpace's stockholders and not any particular constituency;
- Conscientious preparation for, attendance and participation in Board and applicable committee meetings;
- No personal or professional commitments that would interfere or conflict with his or her obligations to InfoSpace and its stockholders;
- An established record of professional accomplishment in his or her chosen field; and
- No material personal, financial or professional interest in any InfoSpace competitor that would interfere or conflict with his or her obligations to InfoSpace and its stockholders.

The Committee also considers the following qualifications desirable in Board nominees:

- Contribution to the Board's overall diversity, with diversity being broadly construed to mean a variety of personal and professional experiences, opinions, perspectives and backgrounds; and
- Professional and personal experience and expertise relevant to InfoSpace's business objectives.

Any stockholder may nominate candidates for election as directors by following the procedures set forth in our Bylaws, including the applicable notice, information and consent provisions. For further information regarding these procedures, see "Deadline for Receipt of Stockholder Proposals," below. A copy of our Bylaws is also available on our corporate Web site at www.infospaceinc.com.

Any single stockholder, or group of stockholders, that has beneficially owned more than 5% of our outstanding common stock for at least one year may propose a director candidate for evaluation by the Committee by delivering a written notice to the Nominating and Governance Committee that satisfies the notice, information and consent requirements of the Committee's Director Nomination Policy. Any such Board candidate must be independent of the stockholder in all respects and must also qualify as an "independent director" under applicable Nasdaq rules. The notice must be received by the Committee not less than 120 calendar days before the anniversary of the date of our proxy statement released to stockholders in connection with the previous year's annual meeting. The notice must include, among other things, proof of the required stock ownership, identification of, and other information with regard to, the stockholder(s) submitting the proposal, and information with respect to the proposed Board candidate. The notice should be sent to the following address:

Chair, Nominating & Governance Committee
InfoSpace, Inc.
c/o Corporate Secretary
601—108th Avenue NE, Ste. 1200
Bellevue, WA 98004

Our Nominating and Governance Committee has not paid a third party to identify or evaluate potential nominees in 2004 or with respect to the current slate. However, the Committee has the authority to retain a search firm, at InfoSpace's expense, to be used to identify or evaluate director candidates at its discretion.

Compensation of Directors

We pay an annual retainer of \$15,000 following each Annual Meeting of Stockholders to each nonemployee member of our Board of Directors, and the Chair of the Audit Committee receives an additional \$5,000 annual retainer. Each nonemployee director is also paid \$750 for each Board of Directors and committee meeting attended and is reimbursed for travel expenses incurred to attend the meetings in person.

Pursuant to the Stock Option Grant Program for Non-Employee Directors under our Restated 1996 Flexible Stock Incentive Plan, as amended, we grant a nonqualified stock option to purchase 10,000 shares of common stock to each nonemployee director on the date the director is first appointed or elected to the Board of Directors. In addition, immediately following each Annual Meeting of Stockholders, we grant to each nonemployee director an additional nonqualified stock option to purchase 7,500 shares of common stock, except for those nonemployee directors who were newly elected to the Board of Directors at such Annual Meeting or within the three-month period prior to such Annual Meeting. All options granted under the program for nonemployee directors fully vest on the first anniversary of the date of grant.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP, independent registered public accounting firm, to audit the financial statements of InfoSpace for 2005, and recommends that stockholders vote for ratification of such appointment. In the event of a negative vote on ratification, the Audit Committee will reconsider its selection.

Deloitte & Touche LLP has audited our financial statements annually since 1997. Representatives of Deloitte & Touche LLP are expected to be present at the meeting, with the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

Required Vote; Ratification of Appointment of Independent Registered Public Accounting Firm

The affirmative vote of the holders of a majority of the votes cast is required to approve the appointment of the independent registered public accounting firm.

**THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE “FOR” THIS PROPOSAL.**

Fees Paid to Independent Registered Public Accounting Firm for 2004 and 2003

The aggregate fees billed by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, “Deloitte & Touche”) to InfoSpace and subsidiaries during 2004 and 2003 were as follows:

	2004	2003
Audit fees	\$ 754,422	\$ 696,916
Tax fees	301,641	226,971
Total fees	\$ 1,056,063	\$ 923,887

The tax fees were comprised of tax compliance and consulting services.

The Audit Committee pre-approves all audit and non-audit services to be performed by InfoSpace’s independent registered public accounting firm. As part of its pre-approval procedures, the Audit Committee considers whether the provision of any proposed non-audit services is consistent with the SEC’s rules on auditor independence. The Audit Committee has considered whether the provision by Deloitte & Touche of the non-audit services described above is compatible with Deloitte & Touche’s independence. After consideration, the Audit Committee has determined that Deloitte & Touche’s independence as an auditor has not been compromised by its provision of these services. All audit and non-audit services provided by Deloitte & Touche in 2004 were pre-approved by the Audit Committee.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee of InfoSpace shall not be deemed to be “soliciting material” or to be “filed” with the Securities and Exchange Commission and such information shall not be incorporated by reference into any future filing under the Securities Act of 1933, as amended (the “Securities Act”), or the Securities Exchange Act of 1934, as amended (the “Exchange Act”), except to the extent that InfoSpace specifically incorporates it by reference into such filing.

During the fiscal year ended December 31, 2004, the Audit Committee of the Board of Directors was comprised of three non-employee directors: Ms. Wittman (Chairperson) and Messrs. Cunningham and Hearney. Each member of the Audit Committee meets the independence criteria prescribed by applicable law and the SEC rules and is an “independent director” as defined in NASD Rule 4200(a)(15). Each Audit Committee member meets the NASD’s financial knowledge requirements. Our Board of Directors has designated Ms. Wittman as the “audit committee financial expert” under SEC rules and has determined that Ms. Wittman meets the NASD’s professional experience requirements. The Audit Committee met twelve times during the 2004 fiscal year.

The Audit Committee is governed by a written charter which complies with applicable provisions of the Sarbanes-Oxley Act and related SEC and NASD rules. On an annual basis, the Audit Committee reviews and reassesses the adequacy of its charter.

As more fully set forth in the Audit Committee charter, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and reporting practices of InfoSpace, including internal controls over financial reporting, and other such duties as directed by the Board. As part of this process, the Audit Committee oversees the quarterly reviews and annual audit of the Company's consolidated financial statements by InfoSpace's independent auditors and reviews and approves the audit budget as well as any other non-audit fees paid to the independent auditors. The Audit Committee is also responsible for maintaining free and open means of communication between the directors, the independent auditors, and the financial management of InfoSpace. In addition to specified duties, the Committee may meet with various employees during the year and has access to any of InfoSpace's employees or advisors with whom it wishes to communicate.

Management is responsible for InfoSpace's internal controls, preparation of financial statements and the financial reporting process. The Company's independent auditors are responsible for performing an independent audit of InfoSpace's consolidated financial statements in accordance with standards set by the Public Company Accounting Oversight Board ("PCAOB") and to issue a report thereon. The Audit Committee monitors and oversees these processes. The Committee members rely, without independent verification, on the information provided to them and on the representations made to them by management and the independent auditors.

In this context, the Audit Committee has:

- discussed with InfoSpace's independent auditors the overall scope and plans for their audits;
- met and held discussions with the auditors, both with and without management present, to discuss the results of their examinations, their evaluations of InfoSpace's internal controls, and the overall quality of InfoSpace's financial reporting;
- discussed with the auditors the matters required to be discussed by SAS 61 ("Communications with Audit Committees"), including discussion of the quality, not just acceptability, of the application of accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements;
- reviewed and discussed the audited financial statements with management of InfoSpace; and
- discussed with the auditors their independence and have received the written disclosures and letter required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees").

Based on our reviews and discussions referred to above, we have recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004 filed with the Securities and Exchange Commission.

The Audit Committee has also recommended, subject to stockholder approval, the selection of Deloitte & Touche LLP as InfoSpace's independent public accountants for the year ending December 31, 2005.

Members of the Audit Committee:

Vanessa A. Wittman, Chair
John E. Cunningham, IV
Richard D. Hearney

Employment Agreements

Our executive officers generally sign non-disclosure, invention release and non-competition agreements which limit their ability to compete with us for a year after their employment ends. Except as described below, our executive officers are employed on an at-will basis.

Chairman and Chief Executive Officer. We have entered into an employment agreement with James Voelker, our Chairman and Chief Executive Officer, effective as of December 21, 2002. The term of the agreement extends to January 1, 2006. If Mr. Voelker's employment is terminated by InfoSpace without cause or by Mr. Voelker for good reason (as defined in the agreement), he is entitled to severance benefits of 100% of his base salary and annual bonus rate paid over a period of 12 months following his termination, acceleration of vesting of his stock options to the extent that they would have vested over the 12 months following his termination, and insurance benefits.

The agreement provides for a minimum base salary of \$400,000, and an annual performance bonus of up to 100% of his annual salary. The agreement also provides for Mr. Voelker to receive two stock option grants, as follows:

- an option to purchase 600,000 shares made on December 21, 2002, of which 120,000 shares vested on the grant date, 240,000 shares vested one year from the grant date, and the remaining shares vest on a monthly basis (6,666 shares each month) over the following 36 months; and
- an additional option to purchase 600,000 shares granted on June 10, 2003, to vest as to $\frac{1}{36}$ th of the shares monthly (16,666 shares each month) beginning December 21, 2003.

The options are otherwise subject to the terms of our standard employee stock option agreements.

In addition, if Mr. Voelker's employment is terminated other than for cause in connection with a change of control of InfoSpace, he is entitled to receive (i) severance pay equal to his base salary rate, as then in effect, for a period of 18 months, (ii) additional severance pay at a rate equal to 100% of his annual bonus rate (but in no event less than \$100,000), as then in effect, for a period of 12 months, and (iii) immediate vesting of 50% of the unvested shares subject to the stock options described above.

Other Executives. We have also entered into employment agreements with each of our other named executive officers. These agreements provide for an annual base salary, an annual performance bonus to be set at no less than 50% of the base salary, and a stock option grant subject to our standard terms. If the executive is terminated by InfoSpace without cause or by the executive for good reason (as defined in the agreement), including in connection with a change of control, the executive is entitled to severance benefits of 100% of his or her annual salary and annual bonus rate, acceleration of vesting of 50% of the executive's unvested stock options, and insurance benefits.

In February 2001, some of our executive officers received option grants that provide for full acceleration of vesting if another company acquires InfoSpace and the executive holding the grant is actually or constructively terminated.

Equity Compensation Plans

During 2004, certain executive officers and directors received benefits under our Restated 1996 Flexible Stock Incentive Plan and the related Stock Option Program for Nonemployee Directors, and the 1998 Employee Stock Purchase Plan. Our stockholders have approved both plans.

Restated 1996 Flexible Stock Incentive Plan

The purpose of the 1996 Plan is to provide an opportunity for our employees, officers, directors, independent contractors and consultants to acquire our common stock. The 1996 Plan provides for grants of stock

options, stock appreciation rights, or SARs, and stock awards. At December 31, 2004, an aggregate of 10,055,949 shares of common stock were authorized for issuance, options to purchase 6,507,294 shares of common stock were outstanding at a weighted average exercise price of \$25.59 per share, and options to purchase 777,410 shares were available for future grant under the 1996 Plan.

Stock Option Program for Nonemployee Directors

Under the 1996 Plan, we grant a nonqualified stock option to purchase 10,000 shares of common stock to each nonemployee director on the date the director is first appointed or elected to our Board of Directors. We grant to each nonemployee director an additional nonqualified stock option to purchase 7,500 shares of common stock immediately following each Annual Meeting of Stockholders, except for those nonemployee directors who were newly elected to the Board of Directors at such Annual Meeting of Stockholders or within the three-month period prior to such Annual Meeting of Stockholders. All options granted under the program for nonemployee directors vest fully on the first anniversary of the date of such grant.

1998 Employee Stock Purchase Plan

We adopted the 1998 Employee Stock Purchase Plan in August 1998. The Purchase Plan is intended to qualify under Section 423 of the Internal Revenue Code of 1986, as amended, and permits eligible employees to purchase our common stock through payroll deductions of up to 15% of their compensation. Under the Purchase Plan, no employee may purchase stock worth more than \$25,000 in any calendar year, valued as of the first day of each offering period. We have authorized an aggregate of 1,360,000 shares of common stock for issuance under the Purchase Plan.

The Purchase Plan is implemented with six-month offering periods. Offering periods begin on each January 1 and July 1. Participants purchase common stock under the Purchase Plan at a price equal to the lesser of 85% of their fair market value on the first day of an offering period and 85% of the fair market value on the last day of an offering period. A total of 380,828 shares of common stock had been issued under the Purchase Plan as of December 31, 2004 and 979,172 shares remained available for future purchase as of that date.

The following table provides information about all of our stock option plans as of December 31, 2004.

Switchboard Incorporated Stock Incentive Plan, which was assumed in connection with the acquisition of Switchboard. There are 218,576 shares remaining available for future grants under such plan. Also included are 4,771 shares underlying compensatory options issued outside of any benefit plan prior to our becoming a public company in 1998.

COMPENSATION COMMITTEE REPORT

The following Report of the Compensation Committee of InfoSpace shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission and such information shall not be incorporated by reference into any future filing under the Securities Act or the Exchange Act except to the extent that InfoSpace specifically incorporates it by reference into such filing.

During the year ended December 31, 2004, the Compensation Committee of the Board of Directors was comprised of three nonemployee directors: Messrs. Cunningham (Chairman), Taffer and Tronsrue. The Committee met four times, and acted by unanimous written consent twice, during 2004. Each member of the Compensation Committee meets the independence criteria prescribed by applicable law and the SEC rules and is an "independent director" as defined in NASD Rule 4200(a)(15). The policy of the Compensation Committee is to maximize stockholder value over time. Accordingly, the primary goal of the Compensation Committee is to assist the Board in fulfilling its responsibilities relating to compensation of the Company's executive officers and to align the interests of the executive officers with those of the Company's stockholders.

Salary and Bonus Compensation

In reviewing and approving compensation of executive officers, the Compensation Committee considers such matters as it deems appropriate, including:

- The Company's financial and operating performance;
- Alignment of the interests of the executive officers and the Company's stockholders;
- The performance of InfoSpace's common stock; and
- InfoSpace's ability to attract and retain qualified individuals.

No set formula is used for these determinations, and no particular function is weighted greater or lesser than the other.

We seek to maintain a significant portion of the executive's total cash compensation at risk, tied to achievement of specified revenue and EBITDA (earnings before interest, taxes, depreciation and amortization) goals determined by the Compensation Committee. Revenue and EBITDA goals are identified for the year for the business unit or for the Company as a whole, depending on the role of the executive. Bonus amounts are approved by the Compensation Committee for payment based on achievement of those goals, provided the executive has also met or exceeded specified management performance objectives. The Compensation Committee has discretion to pay out partial bonuses if such management performance objectives are partially met.

Equity-Based Compensation

The Compensation Committee views stock options as an important part of its long-term, performance-based compensation program. The Compensation Committee bases grants of stock options to the executive officers of InfoSpace under its Restated 1996 Flexible Stock Incentive Plan upon the Committee's estimation of each executive's contribution to the long-term growth and profitability of InfoSpace. The stock option grants are intended to provide additional incentives to the executive officers to maximize stockholder value by encouraging executives to manage from the perspective of owners with an equity stake in InfoSpace. Options are granted at the then-current market price and are generally subject to four-year vesting periods to encourage key employees to remain with InfoSpace.

Compensation of the Chief Executive Officer

Pursuant to an employment agreement, Mr. Voelker's annual base salary is set at a minimum of \$400,000. Mr. Voelker is also eligible for a performance bonus of up to 100% of his annual salary, to be based upon

performance objectives to be mutually determined by the Compensation Committee (or the Board) and Mr. Voelker. In determining the terms of Mr. Voelker's compensation, we consulted outside professional advisors, and considered Mr. Voelker's executive management and industry experience, his demonstrated ability to lead growing companies, compensation paid to chief executive officers of comparable companies, and the scope of his duties at InfoSpace.

For 2004, we set Mr. Voelker's annual base salary at \$400,000. In January 2005, we approved a bonus of \$400,000 to be paid to Mr. Voelker. The bonus was the maximum bonus for which Mr. Voelker was eligible and was based on achievement of specified 2004 revenue and EBITDA goals and management performance objectives.

Summary

The Compensation Committee believes that these compensation policies have been instrumental in assisting InfoSpace to recruit and retain qualified employees and in linking compensation to its strategic objectives. InfoSpace's compensation policies will continue to evolve over time as InfoSpace moves to attain the near-term goals it has set for itself while maintaining its focus on building long-term stockholder value.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 and Form 5 with the SEC. Executive officers, directors and greater than ten percent stockholders are required by SEC regulations to furnish InfoSpace with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, InfoSpace believes that all filing requirements applicable to its executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities have been complied with during 2004; except that the following filings were not made on a timely basis as indicated:

- Allen M. Hsieh, our Chief Accounting Officer and VP of Financial Operations, filed a Form 4 on April 21, 2004. The Form 4 related to a stock option grant made on April 1, 2004 and was due on April 5, 2004.
- Kendra VanderMeulen, our former Executive Vice President, Mobile, filed a Form 4 on April 21, 2004. The Form 4 related to a stock option grant made on April 1, 2004 and was due on April 5, 2004.

Compensation Committee Interlocks and Insider Participation

During 2004, our Compensation Committee was composed of Messrs. Cunningham, Taffer and Tronsrue. None of our executive officers served as a member of the board of directors or compensation committee of any entity that had one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Certain Relationships and Related Transactions

Transactions that are material to us, including loans, between us and our officers, directors and principal stockholders and their affiliates are approved by a majority of the Board of Directors, including a majority of the independent and disinterested directors. We currently have no such transactions to report.

Indemnification Arrangements

In addition to InfoSpace's expense advancement and indemnification obligations under our charter documents and applicable law, we have entered into standard indemnification agreements in the ordinary course of business with each of our executive officers and directors. Certain of our former directors and executive officers are defendants in litigation matters for which we may have obligations to indemnify them pursuant to these agreements. These litigation matters are described in our Annual Report on Form 10-K for the year ended December 31, 2004.

TRANSACTION OF OTHER BUSINESS

The Board of Directors of InfoSpace knows of no other matters to be submitted at the meeting. If any other matters come before the meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares they represent as the Board of Directors may recommend.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Stockholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of the proxy rules promulgated by the SEC. Proposals of stockholders of InfoSpace intended to be presented for consideration at our 2006 Annual Meeting of Stockholders must be received by InfoSpace no later than November 23, 2005 in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

In addition, our Bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals not included in our proxy statement, to be brought before an annual meeting of stockholders. In general, nominations for the election of directors may be made by: (i) the Board of Directors or (ii) any stockholder entitled to vote who has delivered written notice to the Secretary of InfoSpace not fewer than 60 days nor more than 90 days in advance of the annual meeting (or, with respect to an election of directors to be held at a special meeting, the close of business on the seventh day following the date on which notice of such meeting is first given to stockholders), which notice must contain specified information concerning the nominees and concerning the stockholder proposing such nominations. In the event that less than 70 days notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by the stockholders must be received not later than the close of business on the tenth day following the earlier of the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made. Our Bylaws also provide that the only business that shall be conducted at an annual meeting is business that is brought before such meeting: (i) by or at the direction of the Board of Directors, or (ii) by any stockholder entitled to vote who has delivered written notice to the Secretary of InfoSpace not less than 60 days nor more than 90 days in advance of the annual meeting, which notice must contain specified information concerning the matters to be brought before such meeting and concerning the stockholder proposing such matters. In the event that less than 70 days notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by the stockholder must be received not later than the close of business on the tenth day following the earlier of the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made. If a stockholder who has notified InfoSpace of his or her intention to present a proposal at an annual meeting does not appear or send a qualified representative to present his or her proposal at such meeting, InfoSpace need not present the proposal for a vote at such meeting. For further information regarding nomination of directors, see the description of the Nominating and Governance Committee of our Board of Directors under the heading "Board Meetings and Committees."

A copy of the full text of the Bylaws discussed above are available on our company Web site at www.infospaceinc.com, or may be obtained by writing to the Secretary of InfoSpace. All notices of proposals by stockholders, whether or not included in our proxy materials, should be sent to InfoSpace's principal executive offices at 601 108th Avenue NE, Suite 1200, Bellevue, Washington 98004, Attention: Corporate Secretary.
